Somewhere over the rainbow
Way up high
There's a land that I heard of once in a lullaby

Some where over the rainbow
Skies are blue
And the dreams that you dare to dream really do come true (They come true)

Mhh yeah
If happy little blue birds fly over there rainbow
Than why o' why can't I, can't I fly over the rainbow
Tonight ohhh whoaa oh over the rainbow tonight,
tonight, tonight, tonight.

I'm gonna fly, yeah

Some where over the rainbow
Skies are blue
And the dreams that you dare to dream really do come true
Mmhmm over the rainbow
