Yeah...

No more sitting on the sidelines, touching my life
Just passed me by.

It's a brand new day, I'm turnin' the page
I've made my mistakes.

Now I'm gonna leave them behi-i-i-ind,
Now I know I'm not perfect.

It's gonna take a little ti-ime, but it's gonna be wor~th
it~ oh...

I'm gonna keep reaching for the sun
And keep believin' what's in my heart
With the world at my fingers, there's nothin' that I can't
bring

Put away all your fears and become who you wanna be
Yeah Yeah, Are you who you wanna be?
Yeah Yeah

Spinning your feelings baby by thread, you're holding
on.
I can see your pain, it'll be ok, you just gotta have faith.
Let the sun inside, don't cloud your eyes
There's no room in my life
For the rain in your sky~
oh oh oh

I'm gonna keep reaching for the sun
And keep believin' what's in my heart
With the world at my fingers, there's nothin' that I can't
bring
Put away all your fears and become who you wanna be
Yeah Yeah, Are you who you wanna be?
Yeah Yeah, mmm

Oh anything's possible.
'Cause you're like a train, unstoppable.
Make a change, take a stand
You just gotta believe
You just gotta believe

I'm gonna keep reaching for the sun

And keep believin' what's in my heart
With the world at my fingers, there's nothin' that I can't
bring
Put away all your fears and become who you wanna be
Yeah Yeah, Are you who you wanna be?
Yeah Yeah, Are you who you wanna be?
Yeah Yeah
