I feel so alone
I don't feel at home
Teach me wrong from right
As I'm on the frontline

I'm singin my last song
Today I took the fall
I reached towards the
But I fell short
On the frontline

Blinded by ash
Chains hold me
A hateful spear
Into my side
On the frontline

Today we lost
The war of hate
As the trumpets sing
Hell fire will rain

Can you explain to me
What I did
Sin inside my blood
That's the way it is

Is this my fate my
My spot in hell
Were I belong

A leap of faith
Or a leap for satan
A jump for heaven
Before the times ends

I see the light
I feel the peace
I feel no pain
Are we insane
