Don't do the crime... Don't do the crime... ...if you can't do the time

Don't do the crime if you can't do the time Don't do the crime if you can't do the time

Feel the heat, the vibrations On the streets, lil' situations From the grave, complications A part of people livin' life But it's slowing in the fast lane Life is ghettoy chaos Dust me, I've seen too many bloodstains Too many childs put in graves So c'mon people, see what's high I'll set it off like the sky Keep it real or leave it lie Let a part of your voice survive This is your life, no cute game List of what people say with pay So pump your fists, yeah!

Don't do the crime if you can't do the time (Yeah!) Don't do the crime if you can't do the time
