Take my sorrow and my sin
I will run into Your arms again
Hold me Father
Once again my tears are dried
By Your perfect love that's river-wide
Over-flowing
As I stand on it's bank
With my arms overhead
I am overcome

* (chorus)
As I breathe
The air of heaven
Drawing in Your fragrance
When I breathe
I feel Your fullness come alive
Inside of me
You're the breath that I breathe

Covered by the evening sky
I turn my gaze to where Your kingdom lies
Deep inside me
A silent whisper in my mind
Sweet surrender to Your love divine
Peace enfolding
In the stillness I empty my soul
And Your healing presence flows

* (chorus)
As I breathe
The air of heaven
Drawing in Your fragrance
When I breathe
I feel Your fullness come alive
Inside of me
You're the breath that I breathe

It's taking hold
It's second nature when I
Savor... Savor... Savor...
When I Savor... Savor... Savor...
You

* (chorus)
As I breathe
The air of heaven
Drawing in Your fragrance
When I breathe
I feel Your fullness come alive
Inside of me
You're the breath that I breathe

(Chorus Repeats)
