[Intro: Dom Pachino]

Yeah, yeah, yeah, yeah

She know I did her wrong

Now she wants some revenge

But she wont get it, cuz I'm gone

[Chorus 2X: Monique]

Yes, it's over, your flow is gone

Sorry, but they don't need, to be, wrong

Somewhere you lost your key, and now you can't
compete

With me, and it's plain to see

[Dom Pachino]

Yo, sometimes I miss her, used to hug and kiss

Ms. Insecure, I used to diss her, that used to piss her
off

I was her nigga, but was more like a father figure

Taught her how to cook, clean, and get a nut off

Was I good man, merely, to be sincerely true

I was fucking Jasmine, Linda and Shirley

What could I do, I was lustering, boo

Besides that, I would not really trust in you

Now why's that, maybe all the clubbing, all the tight
clothes

Maybe cuz, you was hanging out with some trife hoes

But I love you, despite thoughts

But if I can't trust, while I'm out on tour, I can't be yours

Cuz music's my first love, and you're my second

I told you that, the first time that I got you naked

So respect it, and everything'll be splendid

But if not, I'mma have to end it, I'm gone

[Chorus 2X]

[Dom Pachino]

Have you ever been involved in some shit like this

Where you act like your friends, but she's really a bitch

And around everybody, ya'll don't know dick

But she suckin', and you lickin', and you lovin' this
bitch, yo

The way she twist my top, have me buggin' and shit

The way she kiss me and she touch me and she play
with her tits

She's bananas, not only she even, she understand 'em

Not mad, that I'm giving her cousin these back spasms
I'm a nut, she's a fraction, but satisfaction
And when I hit it, it's serious, no acting
She even watch when I'm with her cousin, the door be
cracking
Hoping later we can do some reinnacting
Now that's nasty, erotic, tragic, cuz she's exotic
Never been addicted to no drug, be she's a narcotic
She's the reason for me writing this song
And she's also the reason I'm gone, it's over, now
[Chorus 2X]
