[Intro: Dom Pachino]Esta loca.  
.. wepa...[Dom Pachino]That's when I walked in the  
spotJewelry swingin' and blingin',  
plus the window was hotThat's when I knew it was  
onSaid  
'what up' to the DJ, he was spinning my songWe  
partying  
tonightAttitude's at the door,  
and I'm feeling aightAnd I'm spending money out of  
sightFor all the times I didn't have it, and I didn't feel  
rightFinally got my shit togetherGot a house,  
copped a floater and brand new berettaAnd it's a  
brand  
new endeavorI got brand new music that's brand new  
cheddarAnd I don't feel no one can do it betterIf they  
can, show and prove, that they can do it betterIt's  
not about talking shitIt's about walking your dogs,  
if your thoughts was sickI wanna fortress,  
like a sorceressPlus a boxer Porsche, that's swift...
