Always in my life I knew that we can make it right to do  
What it takes to have some fun, to be the one and only  
#1

Now we got the chance to prove that we can rule the  
world an show  
What girls can really do, 'cause all these boys don't  
have a clue

Take it to the top, take it to the top, 'cause we're never  
gonna stop  
I know we can get it right!

Hey what's going on, what's going on, we can have  
some fun  
Just keep on playing...

(Chorus)

Peek-A-Boo, I see you, there's so much we can do  
One and one, two and two, play this game called Peek-  
A-Boo

Peek-A-Boo shining through, take my hand, dreams  
come true  
We can try something new, play this game called Peek-  
A-Boo

We stand the test 'cause we're the best, no time to  
waste, forget the rest  
I know that we will shine, if you can only read the sign  
of the times

Now we got the chance to prove that we can rule the  
world and show  
What we girls can really do, 'cause all these boys don't  
have a clue

Take it to the top, take it to top, 'cause we're never  
gonna stop  
I know we can get it right!

Hey, what's going on, what's going on, we can have  
some fun  
Just keep on playing...

(Chorus)
