Just a few tears gettin? ready to say,  
another fat beat brighten up your day  
four bad chicks gonna rock the show  
we?re gonna hit you so hard like a rocky video

Swing those hips and shake that ass  
Cause we got what you want (we got what you want)  
If you wanna get in with me tonight  
Then you gotta get past the door (we got what you want)  
Don?t expect to get on down  
If you not gonna hit the floor (not gonna hit the spot)  
Swing those hips and shake that ass  
Cause we got what you want (we got what you want)

Swing those hips and shake that ass  
Cause we got what you want (2x)

Cruising on strip with the tops unwound  
Boys all hot with the windows down  
We?re heading to a spot further on downtown  
(i said) coming to a party where the speakers turn loud.  
Yeah we checked these boys out straight away  
Eyes to the left, do they make the grade?  
The girls think not so I had to say  
Come and kiss my ass hope you have a nice day

Swing those hips and shake that ass  
?cause we got what you want  
If you wanna get in with me tonight  
Then you gotta get past the door

Don?t expect to get on down  
If your not gonna hit the floor  
So swing those hips and shake that ass  
?cause we got what you want

We only come here like everyday  
Getting on and off of the party train  
But now it?s going to fast it?s never gonna stop  
(i said) Oh No I?m gonna have to hit another spot

And so the final place for the end of the line  
We gotta rock this train back into mine  
And if it ain't gonna stop then I'm gonna jump off  
(i said) Oh No I'm gonna have to get another job

Swing those hips and shake that ass  
?cause we got what you want  
If you wanna get in with me tonight  
Then you gotta get past the door

Don?t expect to get on down  
If your not gonna hit the floor  
So swing those hips and shake that ass  
?cause we got what you want
