I seen ya in your red room laughin'
With your shinin' coffee can
So many wrongs all kinds a goin's on
Held my head an ran

But I hid and did a bit more lookin'
Seen ya dancin' on the pine porch creakin'
Mouth open an' doors down wide
Here's what was inside

I seen what I saw
An' these things I do are wrong, that's all
An' these tales, I tales I tell are tall

Yeah I heard that
[Incomprehensible]

Then I climbed up on the big horse strapin'
Put the spur down to blood
He took off 16 horses strong
Left me lyin' in mud

An' there I sit until the sun's up shinin'
Yes an black stands my ride
Twenty hands high an' watchin' spookeyed
My hands on his side

I seen what I saw
An' these things I do are wrong, that's all
An' these tales, I tales I tell are tall

I seen what I saw
An' these things I do are wrong, that's all
An' these tales, I tales I tell are tall
