I'm a hard house slut
I wanna touch your bassline

My name is Julia
I have a husband and three children
I'm a housewife
There's nothing more satisfying than making dinner for
your man
Washing up around the clock
And doing the hoovering

Sometimes I even like to take all of the food out of
The fridge, rearranging it all and put it all back in
Keeping busy makes me happy
Sometime I'm even a little naughty and catch a bit
Of daytime TV in between my chores

But I do have but one tiny secret
One little secret my family shall never know
I'm a hard house slut

I wanna touch your bassline
Rock my body, suck your kick
Push my tempo to the max
Tease your riff, then fuck the pitch
Don't need no baby
'Cause music is my smut
These beats are all I need
I'm a hard house slut

Go

I'm a hard house slut

I wanna touch your bassline
Rock my body, suck your kick (kick [?x])

Rock-rock, suck your kick (kick [?x])

Don't need no baby
'Cause music is my smut

Don't need no baby [?x]
'Cause music is my smut

These beats are all I need
I'm a hard house slut
