There were days long ago  
When your smile came across  
With the wind in your hair  
And the rain on your face and  
Laugh we could  
Come on let's laugh again.  
We were young, we were free  
We were foolish and poor, couldn't care  
We had time  
We were careless for sure and  
Cry we did  
C'mon let's cry again.

#### STRINGS

There was you, there was me  
And a crowd would be three  
But we could not prevail  
Though we fought to agree and  
Lose we did  
C'mon let's lose again.  
Well I could sing, I could shout  
I could scream the place down

But I won't lest I stumble

Make a fool of myself, I've

Done it before

Let's be fools again

Let's be fools again

Let's be fools again

Let's be fools again.
