Nothin' new

Nothin' planned and nothin' left to chance

Only you and me adrift

And knowin' at a glance

And it all turned out confusin' at the end

When we let it get too bland

Everythin' got out of hand

An' it all became confusin' at the end.

Nothin' new

Nothin' sad nor even slightly planned

Only you and me who thought

That we could build on sand

And we both look less than winners after all

When we let it go too far

All the signs were in the stars

And it all seemed far from winnin'

After all.

I shouldn't ask I know

But what am I supposed to do now?

If I let you go, you know it's wrong

But I can't fight it.

Nothin' new, nothin' changed  
And nothin' quite the same  
Only you and me who ventured all  
And nothin' gained  
And it all looked so confusin' at the end  
When we let it get too bland  
Everythin' got out of hand  
An' it all became confusin' at the end  
Yes I knew that I was losing  
After all.
