Every day I get caught up in the traffic
Every day is a mad rush
But it's nothing compared to your love girl
I'm so that I don't know where I am.
Won't you put my mind at rest girl?
Won't you quench my thirst I'm parched?
Won't you give me peace of mind girl?
Let me cope with Marble Arch.
From the streets to the high seas of the subway
Every day stormy weather
Won't you let your love be my navigator
We'll steer a safe course home.
Won't you put my mind at rest girl?
Let me check the grey in my hair
Won't you give me peace of mind girl?
Let me get down Trafalgar Square.
INSTRUMENTAL
Won't you put my mind at rest girl?
Won't you make me feel alright?
Won't you give me peace of mind girl?
Let me make it home tonight.
