Lately you are the girl I'm dreaming about

And if I should venture to say

Would you think me too forward or something like that

Would you turn me away?

Maybe I'm right, maybe I'm wrong

But I get the feeling your love could be strong

I might be misled, these feelings wasted

So why don't you guide me and be mine tonight,  
tonight

Simply, you are the girl I cannot erase

For me there can be no doubt

No matter what I do, my mind is amazed

And you are the only way out

Maybe I'm right, maybe I'm wrong

But I get the feeling your love could be strong

I've waited alas but love has no compass

Why don't you guide me and be mine tonight

Tonight, tonight

Tonight, tonight

Tonight, tonight

Tonight, tonight
