Somehow you know

When she comes near

She's the one

You're waiting to see

Waiting to see, waiting to see.

Somehow you know

When she comes close

She's the one

You wanted the most

Wanted the most, wanted the most.

Somehow you know

When it's too late

She was the one

But it's too late

Somehow you know, somehow you -

La da da da, la da da da

La da da da, la da da da

La da da da, de da da da

INSTRUMENTAL

Somehow you know

When it's too late

She was the one

But it's too late

Somehow you know, somehow you -

Somehow you know

When she comes near

She was the one

You're waiting to hear

Waiting to hear, waiting to hear.

Somehow you know

Somehow you know

Somehow you know.
