Things I thought I knew don't seem to say much

I thought I knew you, but I don't mean much

Your love's not what you say

You have to think of things to say

Ah but things don't work that way

Baby there's no such thing ah!

Baby there's no such thing ah!

You go out without me and I wonder

And you say it's fair, baby no wonder

You tell me that you think you're mine

That you're coming home tonight.

Ah but that's not quite all right

Baby there's no such thing ah!

Baby there's no such thing ah!

And if you think I just don't care

And if you think I'll always be there.

Things I thought I knew don't seem to say much

I thought I knew you, but I don't mean much

You're asking me to compromise

But I've just begun to get wise

And I'm sick of all your lies

Baby there's no such thing ah!

Baby there's no such thing ah!

Baby there's no such thing ah!

Baby there's no such thing ah!

(and fade).
