A sweet occasion such as this
Another chance to reminisce
And though together we have grown
It's magical how time has flown.
Remember at the outset
A very long while ago?
You were just a schoolgirl
And I was your big hello.
But time, the magician played a few old tricks on us
Time, the magician played a few old tricks on us.
Remember when you first said
That you would love me always
And how you fascinated
Me in so many ways?
But time, the magician played a few old tricks on us
Time, the magician played a few old tricks on us.
A sweet occasion such as this
Another chance to reminisce
And though together we have grown
It's magical how time has flown.
Remember at the outset

A very long while ago?

You were just a schoolgirl

And I was your big hello.

But time, the magician played a few old tricks on us

Time, the magician played a few old tricks on us.

Time, the magician played a few old tricks on us

Time, the magician played a few old tricks on us

Time, the magician played a few old tricks on us

Time, the magician played a few old tricks on us
