This time you've gone a little bit too farJust look what you've done to meI know an' you knowThat it's just not funny.In front of everyone you struck the wrong noteSit down girl you're rocking the boatBut just for once won't you open your eyesTake a look at yourself won't you realise - realise?!Wayward - yes you areThis time you've gone a little bit too farSomething in the way you smileMakes me wonder is it all worthwhile.In front of everyone you struck the wrong noteSit down girl you're rockin' the boatBut just for once won't you open your eyesTake a look at yourself won't you realise - realise?!Wayward - yes you areWakes me wonder is it all worthwhile.In front of everyone you struck the wrong noteSit down girl you're rockin' the boatBut just for once won't you open your eyesTake a look at yourself won't you realise - realise?!Wayward - yes you areThis time you've gone a little bit too far	Wayward I think you are
