I tried to bring her in to see if she was killing them  
A piece of family back together again, we shoulda  
been

I worked ??

The family home and now we could fix ???

I see

I see you in the garden (x2)

Brother never worked and just desserts came to those  
who owned them

But she was still a kid ??? or forgotten

But I remember planting seeds ???

??

????????????????????????????

????????????????????????????

I see

I see you in the garden (x2)

Bring that shit down

Beverly (x2)

Beverly

I see you

In the Garden

Beverly

Beverly (x2)

Beverly

I see you

In the Garden

Beverly
