I am lost--paid the cost
Double-crossed by one heart
And I tried not to cry
As love died in my arms
You make each day a little better
Sometimes I still can't hold it together

I'm broken
In pieces on the ground
But I'm willing to try
So I'm keeping my heart open
Hoping love will come around
And find me again
Won't you save me
I'm broken

I have prayed every day
For a way to believe
But I know in my soul how that goes
You could leave
I hang on every word you've told me
Just remember every time you hold me

I'm broken
In pieces on the ground
But I'm willing to try
So I'm keeping my heart open
Hoping love will come around
And find me again
Won't you save me
I'm broken

Baby help me put it all behind me
You're the only thing that doesn't remind me
I'm broken

I'm broken
In pieces on the ground
But I'm willing to try
So I'm keeping my heart open
Hoping love will come around

And find me again
Won't you save me
I'm broken
