Now come the hell or high water  
I'm a take my rest  
How long is the river  
Where does it end?

Alone  
Pleasure of the guest  
How long does the river run  
Where does it end?

Weight on the levee  
Weight on the dam  
Don't break down

Drink to drown your sorrow  
Sorrow learns to swim  
Don't expect to sink too long  
Your card is drawn again

The Phoenecian sailor  
Pearls that were his eyes  
Three staves and a holy wheel  
Rivers don't run dry

Weight on the levee  
Weight on the dam  
Don't break down

Don't break down

Somewhere across the hungry land  
Down old Zion's trail  
Well the river is sleeping  
How long no one can tell

Alone Alone Alone  
By the river's edge  
Calling me to the water  
Mysteries revealed

Weight on the levee  
Weight on the dam

Don't break down

Don't break down
