I've given all I can
But all I get for givin all I've got
Is knowing how in love I am
And how strong I'm not

She knows the way I feel
Sometimes it feel like I'm breakin ground
But she can't believe that I'm for real
I hope she comes around

Chorus:

I try to have faith
And I say it'll all work out
I try to keep my spirits up
While my defenses are all down
I try to rely on luck,
But I know it may be runnin out
And all I can do now
Is hope she comes around

I've waited all I can
A silent phone is a lonely sound
It's making me a lonely man
I hope she comes around

Chorus:

I try to have faith
And I say it'll all work out
I try to keep my spirits up
While my defenses are all down
I try to rely on luck,
But I know it may be runnin out
And all I can do now
Is hope she comes around

I dream of holding her
I close my eyes
And she's here some how
So I'll let the porch light burn

I hope she comes around

Chorus:

I try to have faith
And I say it'll all work out
I try to keep my spirits up
While my defenses are all down
I try to rely on luck,
But I know it may be runnin out
And all I can do now
Is hope she comes around

Hope she comes around
Hope she comes arrrounnd
Hope she comes around
