If I had never failed
Lost the wind in my sails
Then I'd have never needed redemption
If I hadn't lost my way
I'd have never been saved by an angel
And did I mention it was you
I would have drowned if not for your faith

Chorus:
You gave a lost and lonely man
Reson to live and the stregth to stand
Where would I be without the love I see
In your face
Your my Saving Grace

Love had eluded me
It excluded me
And I'd lost all my expectations
Nothing was left for me
I was destined to be alone
But my salvation was in you
You saw the hero beyond the fool

Chorus:
You gave a lost and lonely man
Reson to live and the stregth to stand
Where would I be without the love I see
In your face
Your my Saving Grace

It was you
You saw the hero beyond the fool

Chorus:
You gave a lost and lonely man
Reson to live and the stregth to stand
Where would I be without the love I see
In your face
Your my Saving Grace

You're my Saving Grace
