I know what it happen  
When I seat down next to you  
Your time, your story and I'll dream mine  
And leave the place on your hands feel inside  
I know I will have then after kiss me then her side  
I'll give you my word, and you'll give this time  
And make up the lie of the lies  
But the... comes to sign  
And there's only rule for one

Am I unable, unable to lie  
Am I unable, unable to lie

You're... of get tired  
I'd... all of your floats and I inspire  
The words it try watch in my mouth  
Got an ache in my arm that... out  
... to say love story how you got the... you got the glory  
Some... need to be sway  
And some... need to be...

And I'll become a star  
And there's only rule for one

Am I unable, unable to lie  
Am I unable, unable to lie

Here's a chance to walk away she's ready for you I  
heard  
Save  
Save your heart you... another kind  
Save your eyes to leave the walking line  
Here's a chance to walk away  
She's ready for you I heard heard say  
Save your eyes and walk...  
Save your eyes and leave the...
