You're lookin sexy
Cancel that taxi
You're comin round mine

Chorus
You're a rocking chick
So dont act thick
I want you in my bed
And you have big *squeak*
D'ya wanna tweak?
Baby do you give head?

You done that dance for me
Made me feel sexy
I'm loving it baby
You make me so horney
How can I repay you?
What you want me to do?
Oooooooh!

Chorus
You're a rocking chick
So dont act thick
I want you in my bed
And you have big *squeak*
D'ya wanna tweak?
Baby do you give head?

Chorus
You're a rocking chick
So dont act thick
I want you in my bed
And you have big *squeak*
D'ya wanna tweak?
Baby do you give head?

Now you are screamin
Well I thought ya liked me
Barking up the wrong tree
Goodbye sexy baby

But you know you wanna
You know you gonna
Shag me later aight
