Did you see her dark eyes
Bloodened by the blue skies?
Did you hear the muffled words
that fell out from her mouth?
She's a different girl now.

Did you see her dark clothes
hiding all the things she knows?
Every word she said to me,
that I believed somehow.
She's a different girl now.

Shadows haunting her
Life forgetting her
She is breaking, breaking down.
She's a different girl now.

[guitar solo]

Shadows haunting her
Life forgetting her
She is breaking, breaking down.
She's a different girl,
she's a different girl,
she's a different girl.. now.
