Are you in or are you out?
Tell me, what is this about?
Are you friend or are you foe?
Oh, and tell me no means no.

Is it fading away?
What we had,
Nothing to say.

You're always dreaming.
Dreaming.
"She was just a girl," she'd say,
"I am of the world today."

Friend or foe?
Or did you know something more
that I should have known?
It was ugly, ugly, ugly, yeah.

Dreaming.
She was dreaming.
And the world was all around you.
Yes it was always you you you you,
you you you you,
you you you yeah you.
It was always you you you you you,
you you you you you,
you you you yeah you.

Do you sit inside your box,
still wondering why?
Do you sit inside your metal side
History disagrees what I wanted.
She was dreaming,
Always dreaming.

Bottle up your bag.
Oh you can't relax when I'm around.
And all I wanted to say was,
"Hello, hello, hello. Hello, hello."
You were always dreaming

of the [inaudible]
Dreaming of the men you killed
You were dreaming
You were scheming to run away.

Hiiyaa, runawaaaay, hey, runaway.
