Here my words, sing my song.
Take it home, take it on.
Take my heart like you do
Now there's nothing more to prove

I'd grow tired with somebody new.
I'd grow tired with somebody new.
That's why I only want you, you, you.
That's why I only want you, you, you.

I am plain, plain to see,
but what you see inside of me.
Take me down to the bone,
you'll never fear to be alone.

I'd grow tired with somebody new.
I'd grow tired with somebody new.
That's why I only want you, you, you.
That's why I only want you, you, you.

Aaaah, Ah.
Aaaaah, Ah.
Aaaaaah, ah ah ah ah.
Aaaaah, aaaaah, aaah.

[piano and guitar]

I'd grow tired with somebody new.
I'd grow tired with somebody new.
That's why I only want you, you, you.
That's why I only want you, you, you.

That's why I only want you, ooooh, ooooh.
That's why I only want you, only want you, only want
you.
Aaaah.
