Soul back driver,  
take my soul back.  
Where'd you put it?  
I don't know 'cause I lost my way.

Soul back driver,  
Take my heart in pieces.  
You are so blessed to be my prey.

Running thunder  
Pulling over  
Hiding under

Soul back driver,  
take my soul back with you.  
Found my head in the wind.  
You win.

You broke spirit,  
To become, I fear it.  
You are breaking into sweat.  
Regret.

Running thunder  
Pulling over  
Hiding Under

And if you see, and if you see me,  
don't make believe that I am leaving.  
I walked away, I walked away bare.  
You never said I couldn't have it back.

Today, I  
have to fully come  
to terms with this,

You don't exist.

Soul back driver,  
Soul back driver,  
Soul back driver,

driver, Yeah.
