I sailed this boat.
I made you home.
I played my cards,
and I lost hard.

I've been seeing double,
in a world of trouble.
I've been waiting patient,
won't you listen?
Won't you listen?

I bathed in salt,
with open scars.
I bled for fear,
so many tears.

I've been sitting silent,
Ever more defiant.
I've been seeking counsel.
Won't you listen?
Won't you listen?

All my love is for you dear,
whenever, whenever you want it.
All my soul is for you dear,
whenever, whenever you want it.

Ahhhh, oh.
Ahhhh, ooh.
Ahhhh, oohh, oooh.

Ahh, ahh, ahh, ahh, ahh, ahh.
