Oh, Come on, yeah..

Oh,
I don't wanna take my best friend's baby
But she's drop dead beautiful

Is it right,
Is it wrong?
What I'm feeling
I can't go
'Cause I know it's the real thing
I've been good all my life
I've been good, but baby tonight

(Bridge)
We're gonna get arrested by the police of love
But I see in your eyes:
We're committing no crime

(Chorus)
Oh,
I don't wanna take my best friend's baby
But she's drop dead beautiful
I wish, I was blind, then he wouldn't blame me
But she's drop dead beautiful

Yeah, yeah
Yeah, yeah.. mmm..

I don't care if they swear it's not legal
You want me,
So how could we be stealing?

No one wish this is true
No one wish, but I can't lose you

(Bridge)
We're gonna get arrested by the police of love
But I see in your eyes:
We're committing no crime

(Chorus)

Oh,

I don't want to take my best friend's baby
But she's drop dead beautiful
I wish I was blind, then he wouldn't blame me
But she's drop dead beautiful

Yeah, yeah

Yeah, yeah

Yeah, yeah

Yeah, yeah

(Chorus x2)

Oh

I don't want to take my best friend's baby
But she's drop dead beautiful
I wish I was blind, then he wouldn't blame me
But she's drop dead beautiful

Yeah, yeah

oh, baby

Yeah, yeah

Yes, she's drop dead beautiful

Yeah, yeah

Yeah, yeah

She's drop dead beautiful

(Chorus)

Oh

I don't wanna take my best friend's baby
But she's drop dead beautiful
I wish I was blind, then he wouldn't blame me
But she's drop dead beautiful
