Chorus: (x2)

I saw Santa Claus at the mal  
(Yeah I see him)  
And he asked me what I want  
(What I want)  
I told him I want everything  
(Ehey! )  
And I hope that's not too much!

Walking through the mall, minding my business  
Doing my shopping, almost Charismas  
... Shawty, I'm a young...  
My home bo attacked me, look Santa Clause!  
I had to smile when I seen it  
Santa, sant... sit on my lap  
My girls say yow, you better let him know  
What you want for Christmas? I say let's go!

Chorus: (x2)

I saw Santa Claus at the mal  
(Yeah I see him)  
And he asked me what I want  
(What I want)  
I told him I want everything  
(Ehey! )  
And I hope that's not too much!

I never seen Santa come down a chimney  
All I want is Christmas, I'll be where the gifts be  
Ask my momma to give me what I need  
Clothes I can dance in, books I can read  
Used to act Santa, 'till I grew up  
Started out small, then I blew up!

Now I'm at the mall, buying my stuff  
Never thought I would, but guess what?

Chorus: (x2)

I saw Santa Claus at the mal  
(Yeah I see him)  
And he asked me what I want

(What I want)  
I told him I want everything  
(Ehey! )  
And I hope that's not too much!

Christmas morning under my tree  
See a bunch of gifts, wonder what's for me!  
Santa made a promise, seen him in the mall,  
Told him what I want, I said I want it all!  
Looking at boxes, seeing my name,  
See a lot of clothes and video games  
Damn, a... shop that I got so much,  
I just laugh and say "guess what?"

Chorus: (x2)  
I saw Santa Claus at the mall  
(Yeah I see him)  
And he asked me what I want  
(What I want)  
I told him I want everything  
(Ehey! )  
And I hope that's not too much!

OMG I could not believe who just ran me in today  
I'm not coming to the mall with you no more  
I'm 14, I take pictures!
