You probably think I'm out of my mind to approach you
this way
And it probably ain't the right time to tell you what
I've got to say
See I don't want to move to fast but if you take my hand
I'll help you understand
That I, I wan't to get to know you babe
So shorty what you waiting for I got what you need
baby come with me
I got what you want baby take my hand I can be your
man
Shorty just want to get to know you babe.

You probably think I'm singing about you and ooh you
thinking by
You don't know who you were but you got this feeling
deep inside
Your hearts so follow me and come to me and say
Ooh you want to be you want to Be my baby
I got wat u need so baby come with me
I got what you want baby take my hand
I can be your man shorty
Just want to get to know you babe.
