I met so many men, it's like they all the same  
My appetite for loving, is now my hunger pain  
And when I'm feeling sexy  
Who's gonna comfort me  
My only problem is, their insecurity

Cause I'm real, way you walk  
The way you move, the way you talk  
Cause I'm real  
The way stare, the way you look  
It's time  
Cause I'm real  
The way you smile  
The way you smell  
Drives me wild  
Cause I'm real  
And I can't go on without you  
And I can't go on without you  
Cause I'm real  
And I can't go on without you  
And I can't go on without you  
Cause I'm real  
Cause I'm real  
Cause I'm real.
