Long ago I was a child,
Want-ed to fly.
In my mind I thought of free-dom
Like birds in the sky.
Boys and girls around me laughing
Told me: "You're fool".
But despite of their laughing,
I made my rule.

Through the sky
Fly so high
Opened mind.
Aaa
Through the sky
Make my way
For each day
Aaa, ooo

Now my way is full of freedom
Every day.
In my life around me people
Walking away.
Woman, men, and smiling faces
Tell me: "you're cool"
But despite of their faces
I have the rule.

Through the sky
Fly so high
Opened mind.
Aaa
Through the sky
Make my way
For each day
Aaa, ooo
Through the sky
Fly so high
Opened mind.
Aaa
Through the sky
Make my way

For each day
Aaa, ooo
