Day and night
You and I
Closer we
Let it be
Touching your hair
Kissing your breast
Breathe in the air
Moving so fast
Motions of freedom
Here only you
Mess outside, nothing
Just me and you
... you you you
And I'm asking you

Why
You
Feel
Love
You feel love

Day and night
You and I
Been alone
Maybe gone
Walking around
Lying for life
Taking in doubt
Living in strife
Motions were nothing
But after all
Nothing is broken
I found you, girl
... girl girl girl
And I'm screaming loud

Why
You
Feel
Love
You feel love

To be free
Like me
Like me
Mmm...
Aaa...
Why
You
Feel
Love... You feel love
