Drops  
I see them  
Lines  
I touch them  
Breathe your breathe  
Over me 'cause  
We Are  
Slaves to each other

We used to fly  
On water  
Watching the sky above  
Were higher and closer  
Touching our skin with love  
Used to walk  
Across glade  
Kissing the lips of mint  
Were deeper and closer  
Feeling so lightly wind

On my face  
Sun  
And it's grace  
You and me  
Are so free, 'cause  
We Are  
Slaves to each other

We used to fly  
On water  
Watching the sky above  
Were higher and closer  
Touching our skin with love

Aaa...

To each other  
We used to fly  
On water  
Watching the sky above  
Were higher and closer

Touching our skin with love
