Fine, very fine,
When you mine
Every minute
Music in the sky
Easy, try
Not to cry
Open your eyes
Let me in and hold me all night Long

Along, but strong
With my song
I ride my bike,
Say you like me, uo, uouooooo

Aaa... uuu... aaa

Night, every night
You are right,
Take on your dress
We're going for a ride
No more shy
You're mine
Monte Carlo
Let me in and hold me all night Long

Along, but strong
With my song
I ride my bike,
Say you like me, uouoooo

Aaa... uuu... aaa

Long, along, but strong
With my song
I ride my bike,
Say you like me, uouooooo
