Impression

(Britmax)

I was there, sitting on the chair
with dozens of eyes,
they were on my lines
and no one could stop me,
I felt myself free
I was waiting for her, let it be

(Temio)

Let it be, I'm so free with you
No one else lift me up like you
I see clear my soul is for you
Let it be, I'm so free with you
No one else lift me up like you
I see clear my soul is for you

Aaaâ€¦aaaâ€¦!

(Britmax)

While sitting on my chair
someone's hand, on my shoulder, was there
sliding softly down to chest
easily interrupting my rest.
Then I turned and I saw her,
Cause I've been waiting for her
I've been waiting for her!

(Temio)

Let it be, I'm so free with you
No one else lift me up like you
I see clear my soul is for you
In you, only you,
for you and with you

Let it be, I'm so free with you
No one else lift me up like you
I see clear my soul is for you
aaaâ€¦!
