Girl you ain't go on myspace today?
No not today. Girl you better go on there and log on.
Why? Girl your man got some girl on his top friends.
Who he got on there? Who she is?

I know you see me on your man top friends.
I got you clicking on my page wondering.
You sending messages. Won't say it in my face.
I got one question. Why you all in myspace?

Ooh that chick can't wait to come home calling her
friends telling them log on.
Wanna know by business bout where she from and who
she is. That chick need a p.
i. service my pictures make you nervous?
Your man addicted see all them comments I get.
Plus I'm on his top 8 it's a must I get you straight.
Your man requested me girl so why you stressing me
girl. No you don't want no drama you just his baby
mama. Don't wanna try me even if you wifey.

I know you see me on your man top friends.
I got you clicking on my page wondering.
You sending messages. Won't say it in my face.
I got one question. Why you all in myspace?

You looking he looking she looking they looking quit
looking stop looking all up on myspace.
Gotta keep my profile private.
Sorry you're not invited. Try to sneak I'll track you
then I know a friend of a friend of a friend let you
in. Why you so curious chick it's not that serious.
It's just a website this ain't even real life.
You tryin to start a cyber fight.
He ain't even my type. Keep him girl I don't want him
girl. I'm just his computer love.

I know you see me on your man top friends.
I got you clicking on my page wondering.
You sending messages. Won't say it in my face.
I got one question. Why you all in myspace?

You think I'm this this this.
You think I'm that that that.
You tried to take me off his page he put me back back
back. Since myspace is your jog log this in your blog.
Your only friend is Tom. That's cause you so dumb ditty
dumb. You hating chick stop hating chick you know I
am the ish. So into this I'm venomous I am so hot he
can't resist. He wanna chew on my bubble gum he
named me miss yum yum,

I know you see me on your man top friends.
I got you clicking on my page wondering.
You sending messages. Won't say it in my face.
I got one question. Why you all in myspace?
