Oh no, how could this happen to
Such an amazing young boy
I had my whole life ahead of me--

Oh God, how could you have let this
Happen to such a lovely young child
I was their only son and I tried,
Tried, tried--

[Spoken:]
Come on,
Come on get out of the way
Get out of the way man
You're going to have to let go of his arm
You have to let go sir
We've got about two minutes here
We've got about two minutes and we're going to lose
him

Yeah, you, you miserable father
The one who ignored me for half of my life
Now I, I can't even look at you
Why? Why? Why?

Don't abandon me now
I don't want to die!

You can lead him to the ambulance
But you cannot make him live

No, you cannot make me live!
You can lead him to the ambulance
Lead me home!
But you cannot make him live

Would, could I have done differently
You never said there was anything wrong
Now the drugs, they give me encouragement
Why? Why? Why?

Oh God, tell me I'll make it
I'll give you my blood if that's all you need

Just don't tell me that I'm gonna die,
Die, die!

Don't abandon me now
I don't want to die
Alone...

You can lead him to the ambulance
But you cannot make him live
No you cannot make me live!
You can lead him to the ambulance
Why can't we celebrate? Lead me home!
But you cannot make him live
