Hey, hey
Well, I'm a paralyzed soul
And I don't know where to go
Well, I should open my eyes
Yeah, I should open my eyes

I'm a left out on the [Incomprehensible]
Attention gets me high
And I'm so unafraid
I like fortune and fame

And when I hear the sirens coming
My temperature begins to drop, yeah
Am I so unaware
That my heart's about to stop

Hey, everybody needs somebody, wants somebody
Hey, everybody cracks and bleeds so hit your knees
And pray that help is on the way
Everybody pray that help is on the way

Well, I can sympathize now
'Cause I'm finally beaten up
But this is not over yet
No this is not over yet

Even though we're damaged goods
I would love you if I could
But you are so unalarmed
By my unfortunate charm

And now I'm screaming, bloody murderer
As my temperature begins to drop
And my life is going numb
As my heart's about to stop

Hey, everybody needs somebody, wants somebody
Hey, everybody cracks and bleeds so hit your knees
And pray that help is on the way
Everybody pray that help is on the way

Sometimes I wish you were dead

And I'm not even joking
I'd put a gun to your head

And when your world crashes down
You'll see it's not so funny
What will you say to the press?

Hey, everybody needs somebody, wants somebody
Hey, everybody cracks and bleeds so hit your knees
And pray that help is on the way
Everybody pray that help is on the way

Well, I'm a paralyzed soul
And I don't know where to go
Well, I'm a paralyzed soul
And I don't know where to go

Well, I'm a paralyzed soul
And I don't know where to go
Well, I'm a paralyzed soul
And I don't know where to go
