Oh oh oh ah ah ahh hmm hmm hmm... hmm hmmm  
Let all my people be wealthy and well  
And live and learn in peace love and righteousness  
Let all our children be wealthy and well  
And give praise onto the most high all them days

#### CHORUS

Cuz Jah love is the greatest love  
It keep us going on, that's what it does  
Jah love is the greatest love  
Jah guid and protect us all  
I know Jah love is the greatest love  
It keep us living on, that's what it does  
Jah love is the greatest love  
It keep us going on

I know mother nature be so hapily adorned  
As for you to teach them what they realy have to know  
And when children look upon there parents and  
guardians  
with love and respect so they live much longer  
Because I say

#### CHORUS

Jah love is the greatest love  
keep us going on, that's what it does  
Jah love is the greatest love  
Jah guid and protect us all  
I know Jah love is the greatest love  
keep us living on, that's what it does  
Jah love is the greatest love  
Jah guid and protect us all yah

I Know (look in yourself) won't you look within yourself  
Think there is no other way  
(think there is no other way... Jah is the way)  
Where can you go without Jah love

Jah created the sun that shine so bright,  
stars and moon that shines at night  
Created the heaven and the earth

and even so created our life

CHORUS

Jah love is the greatest love  
keep us going on, that's what it does  
Jah love is the greatest love  
Jah guid and protect us all  
I know Jah love is the greatest love  
oh oh oh ooh ooh ooh ey (keep us going on)  
Jah love is the greatest love ey

Some people will hate and despise you  
Don't let those tricks of the heathen surprise you  
You think to yourself Jah will guide you  
Be smart be humble there's Jah right beside you

CHORUS

Jah love is the greatest love  
keep you going on, that's what it does  
Jah love is the greatest love  
Jah guid and protect us all  
Yea I know Jah love is the greatest love  
keep us going on, that's what it does  
Jah love is the greatest
