Verse 1:

Where ya gonna be tomorrow?  
How ya gonna face the sorrow?  
Where ya gonna be when you die?  
Nothing's gonna last forever,  
And things'll change like the weather,  
They're gone in the blink of an eye...

Just look at yourself, Can you see where you are?  
Look at yourself, Now you can't hide the scars,  
Just look at yourself 'cause there's nowhere to go,  
And you know...

Chorus:

Tomorrow!  
We're gonna have to live with the things you say,  
Tomorrow!  
You'll have to cross bridges that you burn today,  
Tomorrow!  
Everything you do, Is coming back to you,  
You'll never outrun what waits for you,  
Tomorrow...

Verse 2:

And are you terrified by sadness?  
Have you given into madness?  
You're running out of places to hide,  
'Cause everybody's got a reason,  
To justify how they're feelin',  
Maybe you should open your eyes...

Just look at yourself, Do you like what you see?  
Look at yourself, Is this how it should be?  
Just look at yourself, 'Cause there's nowhere to go,  
And you know...

Chorus:

Tomorrow!  
We're gonna have to live with the things you say,  
Tomorrow!  
You'll have to cross bridges that you burn today,  
Tomorrow!

Everything you do, Is coming back to you,  
You'll never outrun what waits for you,  
Tomorrow!

Verse 3:

Are you waiting for the reason to change?  
Are you waiting for the end...'cause it came,  
Nothing's gonna stand in your way...

Just look at yourself, Do you like what you see?  
Look at yourself, Is this how it should be?

Chorus:

Tomorrow!  
We're gonna have to live with the things you say,  
Tomorrow!  
You'll have to cross bridges that you burn today,  
Tomorrow!  
Everything you do, It's coming back to you,  
You'll never outrun what waits for you,  
Tomorrow!

Ending:

(We're gonna have to live with the things you say)  
Tomorrow!  
(You'll have to cross bridges that you burn today)  
Tomorrow!  
(We're gonna have to live with the things you say)  
Tomorrow!  
(You'll have to cross bridges that you burn today)  
Tomorrow!...
