Christ whore with sheep mind
Flesh grinding hate fuck
Penetrating wargasm death strike
Life worshiping filth vessel
Quenched with nocturnal emissions
And razor slashed caresses
Slave preacher dog like pedophile
Sodomy advocater
Worm tongued sin redeemer
Lie selling sermon invocater
Be silenced by vengeful iron fists
Be purged by fires of retribution
I am the furious nemesis
The poisoning voice of the serpent
The blasphemous ritual pain enhancer
A divine misanthropic hate wielder
The vile church wood igniter
Lamb flock butcherer and torturer
The scythe wielder the scourge and enemy of
GOD.
