Blackout, Stuttering insane, what about you, what about you

My escape, a pleasure I embrace, what about you, what aboutâ€¦!

You, what about, You,  
Gimme all your drugs, your pills, and your liquor too,  
The love of a stranger to help me see the truth,  
And when the morning comes I know not what I do,  
What about,  
You

Right or wrong, this method keeps me strong, what about you, what about you  
I must have retreat a vice, someway somehow to chase this life, You, What about..

You, what about, You,  
Gimme all your drugs, your pills, and your liquor too,  
The love of a stranger to help me see the truth,  
And when the morning comes I know not what I do,  
What about,  
You

One is never good enough, gimme more now give it up, You, what about you,  
One is never good enough, gimme more now give it up, You, what about you,  
One is never good enough, gimme more now give it up, You, What aboutâ€¦!

You, what about, You,  
Gimme all your drugs, your pills, and your liquor too,  
The love of a stranger to help me see the truth,  
And when the morning comes I know not what I do,  
What about,  
You

Gimme all your drugs you pills and your liquor too,  
The love of a stranger to help me see the truth,  
And when the morning comes I know not what I do,

What about, You
