I remember, the night I was still,  
All for the you and me, the moment it was real,  
So now, I'm looking inside I can't find,  
There must be a way to make a, moment real,

Sista' leave me here,  
I'm not asking for a miracle I,  
Wish that you could stay,  
Oh I'm not asking for a miracle,  
Just change,

Leave the past, where it is,  
All mistakes I truly do forgive,  
And now, is there some way to make you understand,  
that woman, I'm a man,  
There must be a way to make a, moment real,

Sista' leave me here,  
I'm not asking for a miracle I,  
Wish that you could stay,  
Oh I'm not asking for a miracle,

You make me dizzy turning me round and round all the  
time,  
There's no reason, no believing, no wrong, no right,  
If you want me then you'll turn and walk away,  
I wish that you could stay,

Sista' leave me here,  
I'm not asking for a miracle I,  
Wish that you could stay,  
Oh I'm not asking for a miracle,  
I'm not asking for miracle,  
Oh I'm not asking for a miracle,  
Just change,
