Stack them lines, go ahead now breath till ya choke  
Smack your face and drain it all,  
I still but I'm racing, I'm hooked yeah I'm taken,  
I can't believe ya said, it's gone,

You must be thieven, it's gone,  
You must be stealin, it's gone,  
You're gonna have to face the truth it's,

Gone, Gone,

Upside down I'm sucking water with my nose,  
Scrapping glass and chewing folds,  
I still but I'm racing, I'm sick and I'm shaken,  
I can't believe ya said, it's gone,

You must be thieven, it's gone,  
You must be stealin, it's gone,  
You're gonna have to face the truth it's,

Gone, Gone,

Stack them lines, go ahead now breath till ya choke  
Smack your face and drain it all,

You must be stealin, it's gone,  
You must be thieven, it's gone,  
You're gonna have to face the truth it's,

Gone, Gone,
