"Stay"

Tell me once again how, everything has changed,
Tell me once again how, it won't be the same,

Why don't you stay and bring me hope,
Why don't you stay and bring me hope,
Why don't you stay and bring me a€†.

You set me up to knock me down, no more selfish
games,
I lost my will to believe, you're the one to blame,

Why don't you stay and bring me hope,
Why don't you stay and bring me hope,
Why don't you stay and bring me a€†.

Talk to me, talk to me, I don't hear ya say,
Talk to me, talk to me, I don't hear ya say,
The truth it hurts so but, I cannot bear you lying to me
so,
Talk to me, talk to me, why don't ya stay,

Why don't you stay and bring me hope,
Why don't you stay and bring me hope,
Talk to me, talk to me, I don't hear ya say, Hope,
Talk to me, talk to me, I don't hear ya say, Hope,
Why don't you stay and bring me, hope
